

CIEMB		CIEMB - CLUBE DE INVESTIMENTOS DOS EMPREGADOS DA EMBRAER			Aqui tem Ação!																																																																																																																																																							
INFORMAÇÕES SOBRE O CLUBE					24/10/2025																																																																																																																																																							
Nossa Missão: Buscar a maximização da rentabilidade do portfólio no longo prazo e difundir entre os empregados da Embraer, de suas subsidiárias e controladas, o CIEMB e o mercado de capitais brasileiro, oferecendo-lhes um produto financeiro exclusivo, com atendimento personalizado e com baixo custo de administração, além de representar os interesses do CIEMB junto à administração da Embraer.																																																																																																																																																												
ADMINISTRAÇÃO E GESTÃO																																																																																																																																																												
Administrador : Guide Investimentos			Gestor de Carteira : Dijair Azevedo de Lima, gestor credenciado pela CVM																																																																																																																																																									
Taxa de administração e Gestão: 1,70% ao ano		Rentabilidade acumulada desde 16/12/1994: 11362,23%		Início da operação do Clube: 16/12/1994																																																																																																																																																								
Portfólio: Formado por ações da Embraer (no mínimo 35% do patrimônio líquido*) e por ações de outras empresas negociadas na B3.					* Aprovado em Assembleia Geral Ordinária de 19/02/2009.																																																																																																																																																							
APLICAÇÃO E RESGATE																																																																																																																																																												
Aplicação mínima: R\$ 85,00		I.R.: 15% sobre o rendimento (médio) no momento do resgate			Carência: Não há carência																																																																																																																																																							
Aplicação e Resgate: Solicitação até às 16h, conversão na cota em D+0, (Pgto de Resgate em D+3 com depósito em conta corrente																																																																																																																																																												
Conta Corrente p/ Aplicação: Banco Santander - Agência 4400 - c/c 13000043-9				Rentabilidade passada não é garantia de rendimentos futuro.																																																																																																																																																								
CNPJ do CIEMB: 00.063.052/0001-07		Enviar comprovante até as 16 horas para ciemb@ciemb.com.br			Antes de investir recomenda-se a leitura do estatuto.																																																																																																																																																							
IMPORTANTE: Clube fechado para entrada de novos cotistas			Público Alvo : Empregados e Ex- empregados do Grupo Embraer
